**Loss or theft of your passport**

Should your passport have been lost or stolen, you must report it to the Foreign Registration Office. They will issue a temporary residence permit (*Fiktionsbescheinigung*) and a form with which you must apply for a new passport at the embassy or consulate of your home country in Germany. Addresses of foreign embassies/consulates in Germany can be found at: [www.auswaertiges-amt.de](http://www.auswaertiges-amt.de) (look for *Reise & Sicherheit* and then *Auslandsvertretungen*). Should your passport have been stolen you also have to report to the police. The police will file a police report.

**Loss or theft of your student ID card**

If you lose your student ID card you have to cancel it as soon as possible at the Admissions Office. In order to cancel it and get a new one you will be charged EUR 10 and you will need to supply a new passport photo.

**Please note:**

In case you are in trouble, please contact the IZ immediately!
In order to save yourself time, money, and frustration, it is very important that you take the following steps in the order given below.

1 Accommodation/deposit

Student housing
Information on how to apply for a student dorm, see page 22. If you have received a room offer by Studierendenwerk Stuttgart (Student Services) there are several formalities that must be complied with before you can move in:

• Usually, you have already transferred a deposit of EUR 700 (including EUR 300 prepayment of rent). The Studierendenwerk Stuttgart has requested you to transfer this deposit in an e-mail including the tenancy agreement.

• Go to the caretaker (Hausmeister) to receive your room keys. Bring two copies of the tenancy agreement along which you have received by mail. Sign both copies. The Hausmeister will ask you to fill in and sign a SEPA direct debit authorization (SEPA-Lastschrift) so that the monthly rent can be debited automatically from your bank account. You will also need to hand in a copy of your passport, your residence permit (as soon as you have it), and a passport photo.

Exchange students have the opportunity to purchase bed linen and coverlets from the Hausmeister of their student dormitory for EUR 45. This payment is withdrawn automatically from your bank account along with the first payment of rent.

For degree students of the international Master’s programs bed linen and coverlets are already included in the room rent.

If you authorise someone else to pick up your room key, this person will need an authorisation letter from you and a copy of your signed tenancy agreement from the Studierendenwerk.
Please check if the date you are planning to move out coincides with the one in your tenancy agreement. If it is incorrect, please contact the Studierendenwerk Stuttgart (see appendix for the address) or the IZ (exchange students).

Please note that booking rooms for couples or families is not possible.

**Important:**
- In all student dormitories you can only move into your room during the office hours of the respective Hausmeister. Regular office hours are listed on page 23.
- On the first working day of each month, the Hausmeister offices in Vaihingen have extended office hours. You can find the exact times in your email information from Studierendenwerk (Einzugsschreiben).

**Private accommodation**
If you were not able to book a room in the student dormitories and need to look for private accommodation you can check our information on page 24 or on our homepage: www.uni-stuttgart.de/en/study/living-in-stuttgart/housing

### Opening a bank account

To participate in the cash-free transfer of money to pay for rent, health insurance and similar transactions, you must have a personal checking account (Girokonto).

For students up to 30 years of age, these accounts are usually free of charge or low-cost at any bank. Students who had to open a so-called blocked account (Sperrkonto) in their home country before coming to Germany need to open a regular personal checking account. You may transfer the maximum monthly amount from your blocked account by standing order. Thus you may carry out transfers and authorise the Studierendenwerk Stuttgart to withdraw your monthly rent.

Upon opening a checking account, you can order a bank card with which you can withdraw cash without charge 24/7 from any of your bank’s ATM machines. After opening an account, you will need to fill out the SEPA direct debit authorisation form (SEPA Lastschrift obtained by the Hausmeister) for the payment of your rent. Please hand it in to the Hausmeister of your dormitory asap (see page 22).

A branch of the BW Bank is located on the Vaihingen Campus (Pfaffenwaldring 57).
Opening hours: Mon–Fri 8:30 a.m.–1 p.m., Mon, Tue, Fri 2 p.m.–4 p.m., Thu 2 p.m.–5:30 p.m.
To open a bank account, you will need:
• Your passport and residence permit (Aufenthaltserlaubnis). It may be possible to hand in the residence permit later.
• Letter of admission (Zulassungsbescheid) from the University of Stuttgart (in order to get a free or low-cost student bank account)
• Your address in Germany

3 Health insurance

By the time of enrollment all students are required to show proof of health insurance. Please consider the different requirements for EU and non-EU citizens.

Health insurance for citizens from non-EU countries
Non-EU students under 30 have to purchase a mandatory student health insurance at a state health insurance provider. This insurance costs about EUR 90 per month and covers most medical and dental costs, including hospital treatment. An advantage of this insurance is that the cost of treatment is carried out directly between the doctor and the insurance company. For prescriptions you will have to pay a fee between EUR 5 and 10 at the pharmacy.

All students under 30 years who have already obtained private health insurance through their scholarship program (e.g. Erasmus Mundus students, DAAD or IPSWaT scholarshipholders, etc.) must get an exemption from the obligation to have mandatory student health insurance (Befreiungsbescheinigung). You will receive this exemption from any of the state health insurance providers for enrollment, and for the application of a residence permit.

Take with you:
• Letter of admission (Zulassungsbescheid)
• Passport

Please note:
Students health insurance only takes effect while enrolled at the university (at the earliest from October 1 or April 1, when the semester starts).

All non-EU students over 30 years of age must take out private health insurance. For further information please contact the IZ.
Health insurance for EU citizens

As an EU citizen you are required to bring an *European Health Insurance Card (EHIC)* from your insurance provider in your home country. You will need an electronic copy (scan) of this EHIC. In order to enroll you will have to upload it to the application platform **C@MPUS** after your arrival. Please make sure to always carry the original card with you. You will receive necessary medical treatment at a doctor, dentist or in hospital with your EHIC. For prescriptions you will have to pay a fee between EUR 5 and 10 at the pharmacy.

Travelling outside of Germany

If you plan to travel outside Germany we recommend that you take out a travel health insurance for a fee of about EUR 15 (available at most banks).

**Non-EU citizens who do not require an entrance visa**
Citizens from, for example, Australia, Brazil, Canada, Japan, South Korea and the USA may enter Germany without a visa. You can find the complete table of countries here: [http://www.auswaertiges-amt.de/EN/Startseite_node.html](http://www.auswaertiges-amt.de/EN/Startseite_node.html) - refer to Entry and Residence - Visa regulations.

6 **Semester and monthly passes for public transportation**

Stuttgart has a very good public transportation system. You can travel by Regionalzüge (regional trains), S-Bahn (commuter trains), U-Bahn (subway), or bus. There are several fare zones (Tarifzonen) and each zone travelled through requires a fee.

**Please note:**

Smartphone users can download the useful VVS app which can show you the train connections in Stuttgart and its surrounding area.
Your student ID card (Studienausweis) has a VVS symbol on the back which validates it for public transportation. You can use your Studienausweis to travel on all buses, Regionalzüge (regional trains), S-Bahnen (commuter trains) and the U-Bahnen (subway) in the Stuttgart region from Mon–Fri after 6 p.m. and all day on weekends and holidays.

To get a semester or monthly pass (Verbundpass) use an order form for a travel card for public transportation available at the IZ or in one of the sales offices of the SSB (Stuttgarter Straßenbahnen) or VVS (Verkehrsverbund Stuttgart). Fill in the order form, have it stamped at the IZ and hand it in at one of the sales offices together with a passport photo and a study certificate. Also bring your student ID card. We recommend that you visit one of the sales offices at the Arnulf-Klett-Passage at the main train station, in Stadtmitte, or at Charlottenplatz. Here the Verbundpass can be issued immediately, otherwise you have to expect a three week delay.

For the Verbundpass to be valid, you need to buy a monthly or a semester ticket at any VVS/SSB sales office.

- Monthly tickets with Verbundpass are valid for a one month period starting any time. The Verbundpass will only be valid for the zones that you specify. If you need a monthly ticket for September or March because you are participating in the intensive German course at the IZ, you can get a provisional student identity card at the IZ to buy it at student price.

- The StudiTicket with Verbundpass
  If you pay approximately EUR 210,00 you can use the whole VVS transportation network without time limits and during the entire semester (Oct. 1 to March 31 or April 1 to Sept 30). The StudiTicket contains a Verbundpass (including a passport photo) and a stamp, the so-called Wertmarke. It is possible to buy the StudiTicket online. For further information and online purchase check: www.vvs.de/studiticketonlinekaufen

Night buses operate on weekends. Most depart from Schlossplatz at 1:20 a.m., 2 a.m., 2:30 a.m., 3:10 a.m. and 3:40 a.m. in various directions. The S-Bahn operates once an hour on each line in the nights between Friday to Saturday and Saturday to Sunday. For a detailed schedule visit: www.nachtaktiv.net

Please refer to the time table of www.vvs.de.
7 Personal liability insurance
(Haftpflichtversicherung)

Unlike health insurance, personal liability insurance is not compulsory in Germany. However, we strongly recommend its purchase. This insurance covers damage caused by you to persons or objects (e.g. a rented apartment, laboratories, or your institute), sometimes including even the loss of keys. The price ranges from EUR 30 to EUR 80 per year, depending on your family status. You can take out the insurance with a bank, an insurance company or online. Up-to-date price comparisons can be found online (with the search term Versicherungsvergleich). For further information you may also get in touch with your contact person at the IZ.

Between Christmas Eve (Dezember 24) and Epiphany (January 6), there are no lectures. During the summer semester, there is usually a one week break after Whitsun (in May or June).

If you want to travel or participate in an internship during the *Vorlesungsfreie Zeit*, you should check the dates of your exams or deadlines before planning your trips.

Medical care/psychological counseling

German universities do not provide medical service on campus. Doctors, dentists, and hospitals can be found online at: www.arztsuche-bw.de. This website also gives you information on doctors who speak other languages than German by choosing your language in the search criteria Fremdsprache.

Generally speaking you have to make an appointment to see a doctor in case you are ill. Some general practitioners also have open office hours. In case of an emergency at night or on weekends you can go to the Emergency Medical Service of Stuttgart doctors at the Marienhospital (address see page 9).

In order to receive treatment you need to either present your health insurance card from one of the state health insurance providers (see page 13), your EHIC, or show the certificate from your private health insurance company. State health insurance providers pay the medical treatment directly to the doctor/hospital. Private insurances have a different payment system. Usually you will have to pay the bill first and ask for reimbursement at the company. Make yourself familiar with the specific regulations of your own health insurance before you see a doctor.

Prescribed medication can be picked up at any pharmacy/chemist’s (Apotheke). If you have mandatory student health insurance you usually have to pay a contribution between EUR 5 and EUR 10 for each prescription. In case of private insurance, the company might also pay for all prescribed medication (check your contract).

Psychological counseling for students is offered by the counseling center of the Student Services (Studierendenwerk Stuttgart) free of charge (in German only). For appointments please call:
Tel. 0711 95 74-480 (Mon–Thu 1:30 p.m.–2.30 p.m.)

How do I find a job?

It is possible to work part-time while studying at the University of Stuttgart. For rules and regulations of working in Germany see page 17.

For international students the most convenient way is to work as a student assistant (studentische Hilfskraft/Hiwi) at an institute of the university. Look for bulletins posted around campus, online or inquire directly at the respective secretary’s office. The institutes, the university library, computer pools and Studierendenwerk also offer Hiwi positions online: www.stellenwerk-stuttgart.de
Also inquire at the employment agency (*Agentur für Arbeit*) on temporary work for students, for example in restaurants, or as unskilled labour in factories, warehouses or firms.
